Words

"Yes!"

Yes! That's exactly what I wanted. Now you're done, and here's your reward. **Reward must always come from you. For example, you hand food to your dog.**

"Good"

"You're doing great. Keep Going!"

"Uh-Uh"

"That's not what I'm looking for. Try something else."

"No"

That behavior is unacceptable. (Save this for behaviors that can be dangerous now or in the future).

"Break!"

"All done! You're free to go do whatever you want."
